Decorative Painter's Interior Dead Flat Varnish - Gallon

#DP609-GAL - Item is available.

Product Description

This premium quality, water base, non-yellowing varnish has been formulated to have the optimum level of clarity with the least amount of sheen (Dead Flat). Use as a protective finish coat over decorative paint finishes to add durability and washability, and to remove undesirable variations in sheen level. Clean up with soap and water. **INTERIOR ONLY.** Apply with brush, low nap roller or spray equipment. This product cannot be sold into and purchased from the following counties: Los Angeles county, CA; Orange county, CA; Riverside county, CA; San Bernardino county, CA
