### **ABOUT SEALCOAT™ UNIVERSAL SANDING SEALER**

Save time when finishing porous woods by starting with Rust-Oleum® Zinsser® Bulls Eye® Sealcoat Universal Sanding Sealer. This high-building solution seals the wood to create a surface that can be easily sanded. Contributes to an ultra-smooth final finish.

- Compatible with ALL clear wood finishes
- Great for sealing ALL interior wood, including floors
- Dries lightning fast - can be sanded & recoated in minutes
- Does not darken or yellow with age
- Easy clean up with alcohol or ammonia and water
- Gives extra beauty & warmth to water-base polyurethanes
- Can be used as a pre-stain conditioner for pine and softwoods
- Can be used as a bond coat under new finishes – adheres to any existing finish

### **FOR BEST RESULTS**

Apply two coats to improve film build and give added depth to the final finish.
