

TECHNICAL DATA SHEET

OLD MASTERS[®] LEMON OIL

AVAILABLE SIZES: Pint (08), Quart (04) and Gallon (01)

PRODUCT CODES: 50408 Pint

50404 Quart

50401 Gallon

PRODUCT DESCRIPTION: Old Masters Lemon Oil restores moisture and beauty to interior surfaces such as wood paneling, cabinets, doors, woodwork and fine furniture. Lemon Oil, a blend of lemon oil and other penetrating oils, replaces natural oils and moisture lost by wood over time. Its non-greasy formula contains no beeswax, linseed oil or silicones to cause buildup or darken wood finishes. It moisturizes as it cleans, eliminating the need for waxes or polish as it helps the wood resist cracking, peeling and discoloring.

DIRECTIONS FOR USE:

1. Dampen a soft, clean cloth with Lemon Oil.
2. Wipe wood surface thoroughly.
3. Remove any excess and lightly buff surface.
4. Use Lemon Oil regularly on wood surfaces to restore moisture and help prevent drying and cracking.

MAX VOC: 623 g/L (5.2 lbs/gal).
