

ROTEX RO 125 FEQ | \$510.00
571782

This sander gives you everything ROTEX has to offer in a compact, lightweight, and powerful package. The RO 125 puts 500 watts of power, dual-mode sanding and triple-function performance into a comfortable, 4.4 pounds. It's a 5" sander that does it all—coarse and fine sanding, plus polishing.

Features + Capabilities

Tough

Made with the highest quality parts and demanding tolerances, ROTEX sanders are powerful by nature and so are all of their parts.

Dual-mode

Gear-driven, aggressive mode for rapid stock removal or polishing, and random orbital mode for fine sanding.

Ergonomics

Powerful yet controllable with multiple grip positions to make even the toughest work conditions manageable.

Power

ROTEX sanders are some of the most powerful handheld sanders to power through the toughest tasks quickly and easily.

More Details

Dust extraction

Jetstream design delivers highly effective dust removal, resulting in cleaner air, better finishes and longer pad and abrasive life.

FastFix pad change

Tool-free pad design allows quick transitions between pads, minimizing downtime.

MMC electronics

Electronic controls deliver soft-start, stepless variable speed control, constant speed under load, and thermal overload protection.

Edge protector

Protective bumper guard allows sanding right up to adjacent surfaces without concern for damage. Also prevents jolting when sanding close to walls or edges.

13' Plug-It power cord

Interchangeable, long cord design allows quick switches between tools and provides plenty of cord for movement.

 system. unmatched.

CT 26 E Dust Extractor

It's sized for easy mobility, but the CT 26 E is fully equipped to handle large amounts of debris. When sanding, Festool's industry-leading CT Dust Extractors deliver smoother surfaces while extending the useful life of abrasives, saving cost and waste.

Granat Abrasives

Thanks to its amazing versatility and durability, Festool's Granat abrasive is gaining a reputation as the "ultimate abrasive" for both finished and bare wood surfaces. Originally designed for solvent-based high-VOC surfaces and paints, its anti-clogging properties are well-suited for a broad range of applications, including clear coats, composites, mineral and solid surfaces.

Rubin 2 Abrasives

Building on the industry-leading performance of the original Rubín abrasive, Festool's Rubín 2 sets a new standard for efficiency—perfect for all wood-finishing applications. Rubín 2 is designed to minimize the time spent on each level with a 30% faster removal rate and a 30% longer sheet life.

For a complete listing of abrasives, including Saphir, Platin 2, and Vlies—plus additional pack quantities for Rubín 2 and Granat—please visit festoolusa.com/abrasives.

Features + Capabilities

Your best finish

Designed for rapid grit progression, you'll spend less time getting from 80 to 220, achieving the best possible finished surface in the least amount of time.

Versatile

Exceptional anti-clogging properties make Granat an ideal solution for a wide range of painted and finished surfaces, in addition to virtually any wood application.

Finish faster

Rubin 2 is designed to quickly shed wood fibers, eliminating clogging so the abrasive stays sharp, leading to a 30% faster removal rate.

Save money

Since Rubin 2 is designed to prevent clogging due to the buildup of pitch and wood fibers, you'll get up to 30% longer life out of every sheet.

More Details

Dust extraction

Just like so many of our tools, our abrasives are designed with dust extraction as a primary consideration. It isn't enough to just put holes in the paper; they have to work together with the pad for optimum airflow while ensuring consistent finish results. All this with less mess and longer lasting abrasives.

High quality

Quality is more than what goes into making an abrasive—it's what you get out of an abrasive. Festool abrasives are designed to match the performance of Festool sanders for the ultimate in finish quality; which is the quality that matters most.

High performance

A high-performance abrasive is one that cuts quickly and efficiently with minimal loading, uniform scratch patterns, durability and a long, long life. Get more mileage out of your abrasives with Festool.

Sanding pads

Easily overlooked but essential to ultimate sanding performance, Festool Sanding Pads are designed and built for perfectly smooth sanding results while surviving the most demanding applications. Available in different densities and types, sanding pads are the secret to great finishes.
