

NEW

**PLANEX Easy
 LHS-E 225
 Drywall Sander**

\$750.00
 571935

Simplify the drywall sanding experience with the PLANEX Easy Drywall Sander. This single-piece machine features easy plug-in and go design that is both easy to set up and easy to use. Intuitive controls combined with exceptional balance and low weight make the task of drywall sanding easier than ever.

Abrasive Grits

Saphir	24	36
Granat	40	320

PLANEX Easy	
Specifications	
Power consumption	400 watt
Idle engine speed	400 - 920 RPM
Interchangeable sanding pad dia.	8-1/2" [215 mm]
Abrasive dia.	8.9" [225 mm]
Length	63 [1.60 m]
Max. dust extraction connection dia.	1-1/16" [27 mm]
Dust extraction connection dia.	1-7/16" [36 mm]
Weight	8.8 lbs [4 kg]

When paired with the available CT 36 AC Dust Extractor you will reduce jobsite clean-up while working in a cleaner environment thanks to the integrated dust extraction design that captures dust at the surface. This new PLANEX Easy is fully compatible with all existing Planex abrasives.

Features + Capabilities

Reduced costs

The PLANEX Easy has our tested and durable Granat abrasives that reduce operating costs and total cost of ownership.

Near-edge sanding

Quick-release dust shroud allows for up-to-the-wall sanding which reduces surface prep time by minimizing hand-sanding tasks.

Swiveling head

Move easily and sand into tight spots effortlessly guiding the PLANEX Easy where you need it most for an unparalleled surface finish.

Extendable

Use the PLANEX Harness with Reach Extenders to reduce stress and strain over a long day's work—especially useful for ceiling work. Conveniently packed in a SYS MAXI.

More Details

Dust protection

Drywall dust is intrusive and abrasive. The PLANEX Easy is built to withstand the toughest demands with dust-sealed controls and gearbox.

Direct drive motor

Enjoy greater freedom-of-movement and longevity with the direct-drive EC TEC brushless motor with its motor-over-pad design and flexible head joint.

 system. unmatched.

NEW DTSC 400

Effortlessly transition from corded to cordless without compromising detailed performance. The DTSC 400 is balanced with a unique ergonomic battery for optimum performance and handling so you can achieve the best finished result.

Granat Abrasives

Thanks to its amazing versatility and durability, Festool's Granat abrasive is gaining a reputation as the "ultimate abrasive" for both finished and bare wood surfaces. Originally designed for solvent-based high-VOC surfaces and paints, its anti-clogging properties are well-suited for a broad range of applications, including clear coats, composites, mineral and solid surfaces.

Rubin 2 Abrasives

Building on the industry-leading performance of the original Rubín abrasive, Festool's Rubín 2 sets a new standard for efficiency—perfect for all wood-finishing applications. Rubín 2 is designed to minimize the time spent on each level with a 30% faster removal rate and a 30% longer sheet life.

For a complete listing of abrasives, including Saphir, Platin 2, and Vlies—plus additional pack quantities for Rubín 2 and Granat—please visit festoolusa.com/abrasives.

Features + Capabilities

Your best finish

Designed for rapid grit progression, you'll spend less time getting from 80 to 220, achieving the best possible finished surface in the least amount of time.

Versatile

Exceptional anti-clogging properties make Granat an ideal solution for a wide range of painted and finished surfaces, in addition to virtually any wood application.

Finish faster

Rubin 2 is designed to quickly shed wood fibers, eliminating clogging so the abrasive stays sharp, leading to a 30% faster removal rate.

Save money

Since Rubin 2 is designed to prevent clogging due to the buildup of pitch and wood fibers, you'll get up to 30% longer life out of every sheet.

More Details

Dust extraction

Just like so many of our tools, our abrasives are designed with dust extraction as a primary consideration. It isn't enough to just put holes in the paper; they have to work together with the pad for optimum airflow while ensuring consistent finish results. All this with less mess and longer lasting abrasives.

High quality

Quality is more than what goes into making an abrasive—it's what you get out of an abrasive. Festool abrasives are designed to match the performance of Festool sanders for the ultimate in finish quality; which is the quality that matters most.

High performance

A high-performance abrasive is one that cuts quickly and efficiently with minimal loading, uniform scratch patterns, durability and a long, long life. Get more mileage out of your abrasives with Festool.

 system. unmatched.

Sanding pads

Easily overlooked but essential to ultimate sanding performance, Festool Sanding Pads are designed and built for perfectly smooth sanding results while surviving the most demanding applications. Available in different densities and types, sanding pads are the secret to great finishes.
