20.25 PUMP + XCITE 120 SPRAYING UNIT

20.25 Pump + Xcite 120 "Ready to Spray" Unit

PUMP 20.25 + Xcite™ 120 GUN

AIRMIX® COMPLETE OUTFITS

True accelerator of performance for your AIRMIX® Xcite™ gun, the high flow & well-proven technology of the 20.25 pump combines a robust design & high efficiency.

Large diameter suction rod & high compression ratio can be used with a wide range of materials.

Stainless steel design compatible with water-based materials.

Simple design & reduced number of spare parts for easy maintenance.
