ATD-7858

1/2" Filter/Regulator Combination - 100 SCFM

Features:

- · Combines filter and pressure regulator into one space saving unit
- · Output performance equal to an individual filter and regulator
- Reduced pressure outputs of 5-125 psig
- Gauge included
- Specifications:Pipe Size: 1/2"
- Type: Standard
- Max Flow SCFM: 100
- Filter Element: 40 micron
- Pressure Gauge: Included
- Bowl Capacity: 6 oz.
- Bowl Type: Metal
- Drain: Manual
- Gauge: Included
- Max Pressure: 250 psig
