## TONGAT

### 100 Series Conventional General Purpose

The Tomcat is a price competitive and high quality production sprayer. It is designed for the painter who wants a conventional gun for spraying a wide range of coatings from glue to fine finish... The Tomcat can handle it all.

## TOMCAT

#### Features

- Economically priced
- General purpose spray gun with a wide range of fluid nozzles and air caps
- Standard pressure setup (1.2 x 2263)
- Standard siphon setup (1.8 x 2266)

Available Outfits

1 Quart Siphon Cup (Aluminum) OT100C-301

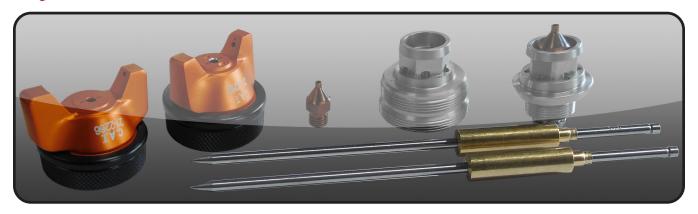

## Quality Simplicity Reliability

- C.A. Technologies Stainless Steel Tanks are the ideal solution for virtually all waterborne and corrosive coatings.
- **○** C.A.T. SS tanks are fabricated from heavy weight 304 stainless steel: tank lid, shell, pickup tube, fluid outlets and all wetted parts are stainless steel.
