Three 2 1/4" resilient rollers let you cover a lot of territory in a hurry, be it decorative laminate, vinyl, or other adhesive-applied coverings. A favorite for decorative laminates, carpet, floor tile, and other resilient coverings. With the preferred loop handle grip at the roller section, heavy pressure can be applied right where it is needed – at the rollers. The twist-lockhandle quickly adjusts from 18" to 27".

Cat. No. ER-333, Closed Length
18", Wt 3 lb
