RAP 150-21 FE (2,100rpm)		\$510.00 571011

With 1200 watts of power, the SHINEX is capable of conquering the most demanding polishing applications with ease. Variable speed settings allow you to dial in the perfect speed for the application at hand between. At only 4.6 pounds, the light weight design prevents fatigue during extended use. A fluff filter screens contaminants from polishing pads, felts, sheepskins or other environmental debris and protects the motor for longer service life.

Available in low-torque and high-torque versions. The high speed, low torque machine spins up to 2,100 RPM for most common polishing applications and the low speed, high torque spins up to 1,400 RPM for more aggressive polishing. Both machines feature improved internal designs for longer life and cooler running.
