

Microstar®

Q: What is Microstar®?

A: The Microstar® FM Series film-backed abrasives discs are designed for mattening and paint rectification of clearcoat and gelcoat finishing.

Q: Where to use Microstar®?

A: Ideal for removal of runs, dust nibs and excess orange peel from topcoat finishes before repainting or buffing

Q: What are the features and benefits of Microstar®?

- A:** Resists loading for longer disc life
- A:** Ideal for sanding fresh or soft clearcoat
- A:** Film-backed discs have full resin bonded aluminum oxide grain
- A:** Leaves an even scratch pattern, which buffs out quickly on all types of automotive paints
